

FINANCIAL POLICIES - DR. BULLARD'S PATIENTS

All Copays, Coinsurances, and Deductibles must be paid on the day of service. These payments can be made with credit card, cash or check.

We require a valid credit card number (Master Card or Visa) on file for all of our patients. Although we call prior to your appointment to obtain benefit information and to confirm that you are eligible for active benefits, the information received from your insurance is not always accurate. Your credit card may be billed for services that are not covered or are applied to your deductible/coinsurance/copay, or if your insurance says that you are responsible for payment for any other reason (such as "due to your coverage being terminated prior to the service date").

I have read and understand the above policies.
